Sir,

Subject:- Establishment-Additional clerk on Rs.35-60 District Forest Office-South Mangalore -Sanction Part II Scheme for 1929-30.

---

(2) In G.O.No.789 Press dated 6-4-1916 the Government sanctioned the proposals for the division of the South Kanara District into two forest charges viz. North Mangalore division and South Mangalore division. The former was classed as a "Minor charge" and the latter as a "Major charge", but the Government sanctioned the same scale of clerical establishments for both the offices as shown in the margin. The office work of the District Forest Officer South Mangalore has increased so much in recent years that it is beyond the capacity of the present clerical staff to cope with. The District Forest Officer therefore requests that an additional clerk on Rs.35-60 may be sanctioned on the permanent scale. The Collector and the Conservator support the proposal.

2. In the year 1916 the division had three ranges and it sanctioned executive and protective establishments were 3 Rangers, 6 Deputy Rangers, 6 Foresters and 35 Forest Guards. There are now four ranges in the division and the executive and protective staff consists of 5 Rangers (including one Ranger on special duty), 14 Foresters, and 53 Forest Guards.

But the staff of the District Forest Office remains what it was in the year 1916.

3. A statement showing the

(1) Number of payments made and
(2) Number of papers received for disposal

in the South Mangalore division as comared with three other divisions in the Circle viz. Wynaad, Nilgiris and North Mangalore is enclosed. It will be observed from the statement that the correspondence work in the District Forest Office, South Mangalore, is comparatively heavier than that in the other divisions (the South Mangalore and North Mangalore offices have the same staff, while the District Forest Office, Nilgiris has one clerk and Wynaad has one clerk and accountant more).

4. Forest Development in the South Mangalore division was for a long time more or less neglected although its possibilities are perhaps greater than in any other divisions. Much has been done in recent years in the exploitation and regeneration of the forests and the quantity of timber extracted departmentally during the last five years and the number of vouchers and chalans dealt with in the division are shown in the margin.

	Timber extracted. C.ft.	No. of vouchers and chalans.
1923-24	39,000	2,936
1924-25	44,000	3,012
1925-26	42,000	3,525
1926-27	89,000	3,518
1927-28	128,000	4,026

A new working plan is also in view and this will throw additional work in the office. In the circumstances it is requested that the Government may be pleased to sanction an additional clerk on Rs.35-60. The extra expenditure on account of the proposal will be Rs.564 per annum. The proposal is submitted as a Part II Scheme for 1929-30.

To us

Please see C.C's letter in the CF. He submits proposals as Part II scheme for the employment of an additional clk on Rs 35-60 on the permanent scale for the South Mangalore Division

As for the need for the additional ~~establishment~~ clerk the C.C. states that while in 1916 the S. Kanara Dt was divided into 2 forest charges, ie S. Mangalore Division was made a major charge while ie N. Mangalore ~~was~~ a minor charge. However the establishment sanctioned for each of these charges was ~~exactly the same~~ on the same scale.

In recent years the C C reports that the work in the S. Kanara has increased so much that it is beyond the capacity of the present clerical staff to cope with. He considers it therefore necessary to employ an additional clerk.

In para 2 of his letter the C.C points out that in 1916 the division had only three ranges and its sanctioned executive and protective establishments were 3 Rangers, 6 Dy. Rangers, 6 foresters and 35 forest guards while at present there are 4 ranges and the executive and protective staff consists of 5 rangers 14 foresters and 53 forest guards. But the staff of the Dt. Forest Office remains what it was in 1916. Hence he considers that an additional clerk is necessary to cope with the increased work ~~[illegible]~~ already mentioned an increased estt. of executive and protective staff.

The C.C has also enclosed statements at p.3 C.F. to show

that the correspondence work in the S. Kanara alone Dn. is comparatively heavier than in the other divisions taking into account the estt. employed in the Dt. Forest office in each of the divisions. He therefore urges the need for an addl. clerk.

In para 4 of his letter the C.C adds that much has been done in the exploitation and regeneration of Forests during the last 5 years and the quantity of timber extracted has considerably increased. In addition to this a new working plan involving additional work on the D.F.O's office, in S. Kanara division, is in force. This will necessitate the services of an additional clerk and the C.C therefore requests that the addl. clerk may be sanctioned as Part II Scheme for 1929-30. This may perhaps be accepted.

The extra cost involved in this proposal will be Rs 570 p.a.

Note by the Dev. Dept

In 1916 the S. Kanara Dn. was divided into 2 forest divisions, the S. Mangalore and the N. Mangalore Dns. Of these the former was a major charge while the latter a minor one. The S. Mangalore Dn. consisted of 3 rangers and there were 3 rangers 6 Dy rangers 6 foresters and 35 forest guards in that division. However the scale of clerical establishment sanctioned for the Dn was the same as the N. Mangalore Dn – a minor charge. At present there are 4 rangers in the Dn and the executive and the protective staff has risen to 5 rangers 14 foresters and

& 3 forest guards. The office work of the D.F.O has therefore increased so much in recent years that it is beyond the capacity of the present staff to cope with.

Again much has been done in the exploitation and regeneration of forests in recent years. The quantity of timber sold extracted departmentally during the last 5 years and the no. of chalans and vouchers dealt with in the Dn have increased considerably. In addition to these a new working plan is in view and this will throw addl. work in the office of the D.F.O S. Mangalore

The C.C therefore recommends that an addl. clerk may be sanctioned for the Dn. This dept supports the C.C's proposal.

NOTE BY THE DEVELOPMENT DEPARTMENT.

In 1916 the South Kanara district was divided into two forest divisions, the South Mangalore and the North Mangalore divisions. Of these the former was a major charge while the latter a minor one. The South Mangalore division consisted of three ranges and there were three rangers, six deputy rangers, six foresters and thirty-five forest guards in that division. However the scale of clerical establishment sanctioned for the division was the same as the North Mangalore division—a minor charge. At present there are four ranges in the division and the executive and the protective staff has risen to five rangers, fourteen foresters and fifty-three forest guards. The office work of the District Forest Officer has therefore increased so much in recent years that it is beyond the capacity of the present staff to cope with.

Again much has been done in the exploitation and regeneration of forests in recent years. The quantity of timber extracted departmentally during the last five years and the number of chalans and vouchers dealt with in the division has increased considerably. In addition to these a new working plan is in view and this will throw additional work in the office of the District Forest Officer, South Mangalore.

The Chief Conservator therefore recommends that an additional clerk may be sanctioned for the division. This department supports the Chief Conservator's proposal.
